

Visva-Bharati University (INDIA) is a Central University for research and teaching in India, located in the twin towns of Santiniketan and Sriniketan in the state of West Bengal. It was founded in the 1921 by Rabindranath Tagore, the famous indian poet, who called it Visva Bharati, which means the communion of the world with India: Today is a very important university that seeks to combine the Indian culture with the world economy: many famous economists, politicians and artists studied in the Visva-Bharati University.Â
