

Multi-faith Prayer Room

The Italian artist Michelangelo Pistoletto has created a multi-faith and laic place where art meets meditation for any believers

Many British and Irish airports (Liverpool, Heathrow, Manchester, Dublin) have a place, the Multi-faith Prayer Room (UK/IR/FR/IT), where believers of different religions can retreat to pray and meditate. The Italian contemporary artist Michelangelo Pistoletto has created a multi-faith and laic place, (luogo multiconfessionale e laico) at the oncologic institute Paoli Calmettes in Marseille. The "Luogo multiconfessionale e laico" is a space where art is the foundation for the meditation and the spiritual reflection.
