

Project Epignosis

Project Epignosis helps citizens learn how to transform their communities into vibrant ecosystems

Project author or developer:
Project Epignosis

Where:
US / United States / Roanoke

Website:
theemergenteconomist.blogspot.it/

Initiated as an 'idea worth spreading' and submitted to The City 2.0 as part of the 2012 TED Prize challenge, the project's "White Paper on Initiating an Integral Economic Laboratory" models a framework for creating an urban ecosystem.
