

Buffalo First

Buffalo First is a community of individuals, nonprofits, and businesses committed to building a just, sustainable, and local living economy

Founded in 2006, Buffalo First! is a nonprofit whose mission is to foster a strong, self-determined local economy in Western New York. We fulfill this mission through consumer education, advocacy, and programs that further the impact of local and sustainable business in the region. Our constituents include locally owned businesses, community organizations, and individuals.
