## **MAJID AL-QASSIMI**

## Fostering awareness on endangered animal and the environment

Veterinarian Majid Al-Qassimi is keen on raising awareness on the issues surrounding endangered animals and the environment. As a veterinarian, he sees nature as our oldest teacher. He is an advocate of education and believes that knowledge and transparency are vital foundations for the next generation. Majid qualified as a doctor of veterinary medicine at Saint Istvan University in Budapest, Hungary.
