

黑石礁社区发展项目 Black Reef Coastkeeper

Project author or developer:
BLUE DALIAN

Where:
CN / China / Dalian

Website:
www.bluedalian.org/#

To address the impacts of oil pollution, especially those caused by the July 2010 explosion of two oil pipelines in Dalian. The organization will fund citizen restoration and cleanup programs in the community of Heishijiao, support research on marine conservation, and host an environmental photo exhibition.
