

THE PEOPLE'S KITCHEN

A community kitchen where volunteers cook food surplus into beautiful meals for the community

Come one, come all, to the People's Kitchen! What better a way to spend a part of Sunday than around a communal table with friends, friends you haven't yet met and one of the most affordable plates of tasty food London has to offer, followed by a free film upstairs in the ambient boudoir and a jam session through the world of music from a melting pot of multi talented musicians? 2-4pm Surplus Food Drop Off 3-6pm Communal Food Prep 6-9pm Dinner Time! Take your food up to the film or dine around the communal table 7pm Cinematters Film Screening (free entry) 9pm Passing Clouds Sunday Jam Session (free before 10pm) VOLUNTEERS NEEDED! Yes it's a people's kitchen! Come along and meet some of your fellow citizens. Be a part of the team behind the scene. All welcome. We need people to chop and pick and tell jokes and stir and talk and cook and smile and peel and wash and grate and serve. If you think you are capable of any or many of these activities, then please come and get involved. Basic equipment available. If you have helpful things you can bring down then please do!
