Global Eco Forum

Euro-Mediterranean Forum on Sustainability

Project author or developer: **Global Eco Forum**

Where:

ES / Spain / Barcelona

Website:

www.global-ecoforum.org

Eco-union, an environmental NGO, organizes every year in Barcelona the Global Eco Forum, an international meeting point and reflection place that gather economic, social and political leaders and decision makers from the Mediterranean society. It conjugates creativity, innovation and culture with action and ideas that promote new models of sustainable and responsible development in the region, based on green economy and multi-stakeholders governance.
