Projeto Bagagem

Projeto Bagagem, a Brazilian NGO, aims to improve the livelihoods of low-income Brazilian Communities

Projeto Bagagem promotes environmentally sustainable community development through community-based tourism and youth empowerment. Travel itineraries feature successful local development initiatives where travellers can meet and interact with host communities in a unique way. Main activities: $\hat{a} \notin \hat{c}$ building a network of community tourism destinations $\hat{a} \notin \hat{c}$ building a network of partner travel agencies and organisations which are committed to the local communities $\hat{a} \notin \hat{c}$ creating a network of knowledge: developing materials on methodologies and practices to support other communities and NGOs starting community-based tourism.
