

The Van Abbemuseum in Eindhoven is one of the first public museums for contemporary art to be established in Europe. The museum's collection of around 2700 works of art includes key works and archives by Lissitzky, Picasso, Kokoschka, Chagall, Beuys, McCarthy, DaniÅls and KÅrmmeling. The museum has an experimental approach towards art's role in society. Openness, hospitality and knowledge exchange are important.

We challenge ourselves and our visitors to think about art and its place in the world, covering a range of subjects, including the role of the collection as a cultural 'memory' and the museum as a public site. International collaboration and exchange have made the Van Abbemuseum a place for creative cross-fertilisation and a source of surprise, inspiration and imagination for its visitors and participants.
