

San Salvario Neighbourhood House

A laboratory of ideas for a neighborhood in transformation

The Casa del Quartiere of San Salvario is a project which was promoted and realized by the Agency for the local development of San Salvario (Agenzia per lo sviluppo locale di San Salvario Onlus) in partnership with the City of Turin, Vodafone Foundation, San Paolo Company, Circoscrizione 8 and an array of non-profit-organizations.

The Casa del Quartiere is a laboratory for the development and realization of social and cultural activities which include associations, citizens, artists and people who are engaged in the cultural sector. It is an open and multicultural space; a forum for encounter and the exchange of activities between people.
