

The Bristol Pound (GBP) is real money made for Bristol in the 2012. It is designed to support independent businesses in and around Bristol, retaining and multiplying the benefit of every pound spent for ordinary people and businesses. Bristol Pounds can be used to pay at Bristol Pound member businesses either with notes, or via an sms text by mobile phone, or over the internet. The Bristol Pound is easy yet secure and an innovative way to show loyalty to businesses and to Bristol.
